By Car

From the M6 Motorway (North & South)

Leave the motorway at junction 18, proceed along the A54, following the signs to Middlewich. At the roundabout continue straight ahead towards Middlewich. Approximately 100 metres past the Shell Garage turn left into the Aston Way entrance to Midpoint 18 Business Park. Turn first right into Dalton Way and you will find Dalton House is the last building on your left. Look for the 'Cheshire County Council' sign at the front of Dalton House and CWEA is located within. Please sign in at the reception and the receptionist will inform us of your arrival.

Visitor Parking

There are a small number of visitor and disabled spaces adjacent to Dalton House (turn left immediately before the building). If these are full please use the overflow car park. Continue past Dalton House, turn left and the car park is on the right. Ring the buzzer at the barrier to contact reception who will raise the barrier.
